

## Enable Injections Establishing New Manufacturing Facility

We are thrilled to announce that Enable Injections, Inc., a pioneering innovator in wearable medical device technology, is locating new manufacturing operations in Springdale. This exciting development comes as Enable Injections plans to double its workforce in the region and invest in multiple communities. The Springdale location will employ approximately 250 highly skilled positions within three years at an average salary exceeding \$90,000 annually.

Enable Injections has made waves in the healthcare industry with its groundbreaking drug delivery device called the EnFuse. This palm-sized, hands-free wearable disk allows patients to self-administer large-volume medications subcutaneously (through the skin) without the need for an IV or syringe pump. Imagine completing your treatment at home rather than at a clinic—this innovation is set to revolutionize patient care.

The company's decision to establish a new 90,000-square-foot Manufacturing Center of Excellence in Springdale is

a significant milestone. Located at 1110 Strategic Parkway in the Springdale Commerce Park, this state-of-the-art facility will support Enable's ongoing in-house manufacturing efforts. CEO Mike Hooven describes the EnFuse as "one of the biggest disruptions" he's ever seen in healthcare.

"On behalf of the citizens and elected officials of the City of Springdale, I extend heartfelt gratitude to Enable Injections, Inc.

for choosing our vibrant city as the home for this new medical device production facility," said Springdale's Mayor Lawrence Hawkins, III.

"Their decision to invest here is a testament to our collaborative efforts and Springdale's competitive business climate and location. The production of Enable Injections' innovative platform of wearable drug delivery systems will not only create high-tech, high-value jobs in our city but also positively impact patient experiences worldwide. We eagerly anticipate a continued partnership with Enable Injections as they grow within our community and provide enhanced opportunities for our residents. Thank you, Enable Injections, for being an integral part of Springdale's success."

## Springdale Secures \$500,000 in Grants to Enhance Energy Efficiency

We are excited to share that Springdale has secured two grants totaling \$500,000 from the Energy Efficiency Program for Ohio Communities (EEOC), administered by the Ohio Department of Development. This funding is designated to bolster energy efficiency initiatives within City facilities. Out of numerous submissions, two of Springdale's applications stood out among the 35 projects selected across 18 counties to receive funding through this program.

The Ohio Department of Development has earmarked a total of \$8 million to support energy efficiency projects statewide, aimed at assisting municipalities, businesses, nonprofits, and educational institutions. This endeavor is part of a larger strategy to cultivate sustainability, build resilience, and invigorate local economies.

Following a rigorous selection process, the Community Center and Municipal Building projects were chosen to receive funding for a range of energy efficiency upgrades,

including LED lighting installations, direct digital control systems, chiller replacement, and utility monitoring. While other City facilities were also considered, only these two buildings were granted funding.

It's worth noting that the maximum grant amount for each eligible project is capped at \$250,000, with a limit of \$1 million per county. Projections indicate significant utility savings from these upgrades, with an estimated 16.2 percent reduction for the Community Center and a substantial 25.7 percent reduction for the Municipal Building.

This successful grant acquisition emphasizes Springdale's commitment to sustainability and prudent resource management. As we move forward with these projects, we aim to not only reduce our environmental footprint but also enhance operational efficiency and cost-effectiveness.

## 90 Days in and Changes Have Started to Begin

My mayoral term began on the first of December  
This will be a swearing-in that I will always remember

First, I focused on reviewing the City budget, something I have been through

The budget presented to the Council was fiscally responsible detailing expenditures and revenue

The pleasure was mine at events where ribbons were cut  
At Calvary Church Bishops' Center and Dunkin' Donuts

The most enjoyable thing I have done is bring on new staff  
The first hire was going to have to be money minded and good at math

Our new Finance Officer/Tax Commissioner, Katie Smiddy, will watch every dollar and cent  
A Springdale native, Brandiss Ewing-Jackson, was hired as the nurse of our Health Department

I also swore in several law enforcement officers, that I revere and respect  
Officers Welander, Lyons, Davis, and Bosch will serve and protect

At the Winter Pep Rally and Coaches Memorial I inducted Charlie Hormann and Keith Perkins  
These were two individuals that coached and impacted our City in ways, more than just wins

Looking around and touring the new places in the City where people live and play  
With Economic Development Director Andy Kuchta, I toured the apartments at the Row and Array

In an effort for the City to be more transparent and to see how we use each dollar and dime  
The program Ohio Open Checkbook came on line for the City, which I have admired for some time

The directors and department heads of our City amaze me by all the grants that they find,  
They bring in millions of dollars for everything from cameras, to roads, it blows my mind

In addition to all of these things, I have tried my hand at being a wedding officiant  
I have been a part of half a dozen couples' special day, and I can't express how much that has meant.

Having completed the State of the City address and my first 90 days  
I plan to serve you the residents and do what is best for the city, always.

**Your Mayor,  
Lawrence C. Hawkins III**

## Tax Returns for 2023 Due Monday, April 15, 2024

### What's New?

- Beginning year 2024, income for individuals under 18 years of age is exempt and not taxable.
- Beginning tax filing year 2023, late filing penalty maximum \$25.00 (late pay penalty remains 15%).
- For taxable years beginning in 2023, the full amount of Net Operating Loss is allowable.
- For tax years ending after December 31, 2022, the extended due date for a taxpayer that is not an individual (excludes Schedule C, E & F filers) is November 15, 2024.

### Who must file:

- All residents 19 years and older regardless of the tax owed.
- All businesses located in Springdale and businesses that earn income from work performed in Springdale.

### The items required to be included with the Springdale tax return include:

- W2(s)
- Page 1 of Federal Form 1040
- Federal Schedule 1 (and any other applicable Federal schedules)
- Form 1099 Misc.
- Form 1099 NEC and any other schedule to support the local tax return activity

If you have received a Federal filing extension, you will automatically receive an extension for your Springdale tax return until October 15, 2024 for individuals and November 15, 2024 for calendar year businesses. You must include a copy of the Federal extension when filing.

Please remember an extension to file is not an extension to pay, as all tax balances are due by April 15, 2024.

### Extended hours during tax season:

Wednesday, April 10, 2024	8am – 6pm
Thursday, April 11, 2024	8am – 6pm
Friday, April 12, 2024	8am – 6pm
Saturday, April 13, 2024	9am – 1pm
Monday, April 15, 2024	8am – 5pm

## 2024 Road Construction Projects

Crews began working in the Springdale Park and Terrace subdivisions to address potential trip hazards along the sidewalks.

The City has also collaborated with Butler County to make improvements along West Crescentville from Springfield Pike to Princeton Pike. All pavement will be milled and paved by Barrett Paving and is anticipated to conclude this fall.

Northland Boulevard will see reconstruction over the next two years working in conjunction with ODOT. Improvements include replacement of the storm system, installation of sidewalks, a multi-use path, new bus stops, signal upgrade at Tri-County Parkway, regrading of the center median, new curbs and pavement. The majority of this project will be funded through grants obtained by the City.

Sidewalk construction will occur along Tri-County Parkway between Northland Boulevard and Princeton Pike. The City was awarded a Community Revitalization Grant to fund 80% of the project.

Crack sealing, pavement preservation, catch basin and sidewalk repairs on commercial and residential roadways are also planned for 2024.

## Drug Drop Box

The Springdale Police Department has a drug drop box available for residents wishing to properly dispose of unused medications. It is very simple and allows you to safely discard unwanted and expired prescription or over-the-counter medications before they fall into the wrong hands.

Only medications in pill form will be accepted, no liquids, creams, ointments, or gels of any type. Residents can drop off medications to the Police Department lobby during the operating hours (6am-6pm). The pills are emptied from their containers into a bag and the bag is placed into a secure vault. The pill containers will be returned to you or discarded. Later, the Department will properly disposed of the pills in an environmentally safe manner.

## Law Enforcement Expo

The Springdale Police will be hosting the 2024 Law Enforcement Expo on Saturday, May 18, 2024 from 12pm-3pm. The event will take place outdoors, in the parking lot of the Springdale Community Center. Attendees can tour police vehicles and check out all types of special police equipment up close, as well as interact with local police officers from all over the region. There will be K9, Drone, and Taser demonstrations and tours of SWAT vehicles, police boats, crime scene units, and much more. There will be FREE hot dogs and water all day and FREE Kona Ice from 1pm-2pm. This event is perfect for kids, police enthusiasts, retired officers, community members, or those looking into careers in law enforcement.

## Fight the Bite: Tick & Mosquito Prevention

### Why should I care?

Ticks carry Lyme disease which has symptoms of fever, chills, and numbness.

Mosquitoes carry diseases such as Zika virus, West Nile virus, and Malaria which have symptoms of fever, rash, chills, body pain, profuse sweating, and vomiting/diarrhea.

### What do I look out for?

Ticks live in tall grass, shaded areas, wooded areas, bushes, and on other animals.

Mosquitoes live in standing water, heat, ivy, leaves, gutters, and drains.

### How can I protect myself?

You can protect yourself by limiting skin exposure when outdoors, wearing EPA approved bug repellents, and checking your body after being outdoors. It is especially important to check your hair, behind your knees, under your arms, and around your groin. It is also good to check your pets after they have been outdoors, especially in wooded areas.

To prevent mosquitoes and ticks from entering your yard, it is important to drain standing bodies of water or use mosquito dunks, hang mosquito traps, and plant tick and deer-repellent plants.

## Police Department Staff Update

### Officer Curtis Bosch

Curtis Bosch is a Hamilton County native who graduated from LaSalle High School. Prior to joining the Police Department on February 12, 2024, he served 13 years with the Hamilton County Sheriff's Office having served in corrections, court services and patrol. Officer Bosch currently resides in Harrison with his family.

### Officer Jason Davis

Jason Davis graduated from Oak Hills High School and Cincinnati State. He worked for the Hamilton County Sheriff's Office for 22 years before coming to Springdale. He loves football and is the General Manager and a player for the Ohio Marauders, a football team for first responders that plays for charities. Jason is also the head coach for Harrison Youth Football.

### Officer Kellen Lyons

Welcome back to Officer Kellen Lyons who returned to the Police Department on December 11, 2023. His previous service with our department began in 2008, for a total of 14 years of service. Officer Lyons currently resides in Trenton with his family.

## Health Department Staff Update

### Brandiss Ewing-Jackson

Brandiss Ewing-Jackson joined the Springdale Health Department as the Director of Nursing on January 16, 2024. Brandiss worked at UC Health for 13 years prior to joining the Springdale Health Department. At UC Health, Brandiss first worked in patient registration and then became an RN as she pursued her passion for nursing. Brandiss obtained her nursing degree at the University of Cincinnati Blue Ash. She also holds a bachelor's degree in organizational leadership from Wright State University. Brandiss grew up in Springdale and is very proud of her family's legacy within the community. She attended Springdale Elementary and is a graduate of the Princeton High School. In her spare time, Brandiss enjoys outdoor activities and music.

## Springdale Offering Support

Thank you to the many Springdale residents and businesses who generously donated to Springdale Offering Support's 2023 Adopt A Family Holiday Program. With your support, SOS was able to provide food, clothing, and gifts to 317 children from 92 local families in need. Thank you for partnering with SOS to make the holidays brighter for local families in need.

For additional information about SOS, please visit [Springdale.org](http://Springdale.org) or contact Julie Matheny at 513-505-5707.

## Is your child properly secured in your vehicle?

Car crashes are a leading cause of death for children. Many of these deaths and injuries can be prevented by using car seats, boosters, and seat belts correctly. Find out if your child is in the proper child restraint by visiting [www.nhtsa.gov/vehicle-safety/car-seats-and-boosters-seats#installation-help](http://www.nhtsa.gov/vehicle-safety/car-seats-and-boosters-seats#installation-help) or asking a certified car seat technician at the Springdale Fire Department.

### State of Ohio Child Restraint Law:

**Children 0 to 4:** Any child either less than 40 pounds or less than 4 years old **MUST** be properly secured in accordance with the manufacturer's instructions in a child restraint system that meets federal motor vehicle safety standards.

**Children ages 4 to 8:** Any child who is less than 8 years of age and less than 4 feet 9 inches in height **MUST** be properly secured in accordance with the manufacturer's instructions on a booster seat that meets federal motor vehicle safety standards.

\*It is recommended that children who may be 8 years of age but less than 4 feet 9 inches in height remain in a booster seat until the seat belt fits properly.

If you're a resident of Springdale or work in Springdale and circumstances dictate, and your child needs a car seat, contact the Springdale Fire Department. We have partnered with Cincinnati Children's Hospital, Buckle Up for Life, and Toyota to help protect our children and reduce the possibility of injury and death. We have a limited supply of child restraints that are available for such situations.

## Springdale Garden Club News

The Springdale Garden Club recommends cutting back roses in April. You can cut back up to one-third of the dead branches and add fertilizer mix. It is also time to cut perennials back and add preemergent to your garden soil to prevent weeds.

### 2024 Regular Meetings & Activities

- April 8** **Growing Orchids**  
Roger Miller, Orchid Society Member
- April 26** **Arbor Day Celebration & Tree Planting**  
Heritage Hill & Springdale Elementary Schools  
**Joint Garden Club Meeting (with other clubs)**  
**Art in Bloom**  
Cincinnati Art Museum
- May 13** **Workshop: Making Jewelry with the Jobes Tears berry**
- May 15** **Luncheon with a Floral Design Demonstration**  
Clovernook Country Club
- May 18** **Workshop: Recreation Helpers**  
Community Center
- June 10** **Workshop: Creating Landscape Floral Design**

Interested guests should make reservations the Wednesday before our meetings. If you are interested in attending or becoming a member, contact Joan Knox at 513-674-7755 or email [joanknox99@fuse.net](mailto:joanknox99@fuse.net).

## Police Unveil New Graphics

You may have noticed a new look on the patrol vehicles cruising around town. Currently, two new Dodge Durango cruisers are on patrol with an entirely new design. Officer Sarah Luken created the design for the new vehicles that have been on the road for several weeks. The old design will be phased out over time. Be sure to give our officers a wave when you see them and let us know what you think of the new graphics!

## Chipper Program Guidelines

A 15-minute maximum time limit will be utilized for chipping of material by staff. Anything that cannot be chipped during that time period will be chipped the following month. Residents may not leave unchipped material at the curb between service.

The chipping program runs the last full week of each month from March through September. Following the guidelines below will assure your brush at the curb is chipped:

- Branches of less than 1" in diameter and under 3' in length will not be collected. Branches this size can be placed in waste collection cans and set out with regular weekly Rumpke collection.
- Material generated by contractors, entire trees, branches larger than 12" in diameter, and stumps of any size will not be accepted.
- All piled material should be neatly stacked with the cut ends at the curb. Longer branches extending beyond the sidewalk should be placed parallel with the street and all cut ends facing the same direction.

During months the program is not running, small amounts of branches can be placed in waste collection cans and set out with Rumpke waste collection. Larger amounts can be bundled and placed at the curb. The bundles must be tied with twine and no larger than 4' long x 2' wide, weigh less than 50 pounds, and should not contain limbs larger than 2" in diameter.

## Protect Your Skin from the Sun

### Skin Cancer

- The most common type of cancer in the US, but it is also the most preventable.
- One in five Americans will develop skin cancer.

### Sun Safety

- Cover up by wearing clothing that covers the skin including hats/sunglasses to block UVA/UVB.
- Seek shade.

### Sunscreen Rules

- Apply 20 minutes before exposure and reapply every 2 hours.
- Use SPF's 20 or higher.
- Store bottle in appropriate conditions.

# PARKS & RECREATION PROGRAMS

Springdale Community Center Members can register online for programs, book facility reservations, and renew memberships:

## Community Center Hours

Monday - Friday . . . 6:00am – 9:00pm (Facilities)  
 9:00am – 9:00pm (Office)

## SPECIAL EVENTS

### Shred Sensitive Documents **FREE**

Saturday, April 6 • 9:30am – 12:30pm

A mobile shredding unit will be on site at the Community Center on Saturday, April 6, from 9:30am – 12:30pm so that residents may safely destroy their unwanted sensitive documents and records. This is an opportunity to dispose of those old financial and medical records, past bank statements and other documents, which you would not feel comfortable throwing away in the trash. I.D. check required.

### Neighborhood Yard Sales

Saturday, August 10 • 9:00am – 2:00pm

Clean out the garage, attic and basement while earning some cash during this year's Neighborhood Yard Sales. The best part of all, the sale is right at YOUR house. The City of Springdale will widely publicize the community-wide event with suggested hours from 9am to 2pm. Take advantage of the extra traffic of buyers who will cruise Springdale looking for your bargains!

### Junior Olympics **FREE**

Saturday, August 17 • 10:00am – 11:30am

The event is comprised of eight competitive events for boys and girls age 10 and under. This event is free and open to the public. Pre-registration begins July 15 at the Community Center. If interested in volunteering contact 513-346-3910.

### Art in the Park

Show off your artistic ability! We will display local artist art work during Concerts in the Park on June 20, July 18, and Aug 1. Interested artists email [goplay@springdale.org](mailto:goplay@springdale.org) for more information.

### Story Book Stroll

Story Book Stroll is a fun opportunity for kids to get outside and walk a ½ mile all while enjoying a new story each week. Each story starts at the Concession stand and makes its way around the outdoor ½ mile track starting May 31 to August 2.

Monthly at 7:00pm  
*No Meetings June–August*

*For more information about meetings and events, please call the Municipal Building at 513-346-5700.*

## Household Trash Service

Springdale trash and recycling collection services are provided on a weekly basis at no cost to residents. Currently, this service is provided under a contract between the City and Rumpke of Ohio. Contract provisions place restrictions on what can be collected. The following are common items frequently asked by residents:

- Trash/recycling must be placed curbside the night before your scheduled collection. Drivers may not return to residences if trash is unprepared at the scheduled collection time.
- Cans and bags shall not exceed 50 pounds.
- Do not place trash at the curb in boxes. All boxes should be broken down, bundled and placed out for recycling.
- Bulky materials including drywall, concrete, bricks, dirt or rocks are not acceptable.
- Any mattress or upholstered furniture must be completely sealed in disposable plastic for removal.

Each address can have a maximum of 2 free red recycle bins. To request bins call 513-346-5520. For a small fee, a 65-gallon recycle tote with wheels can be rented from Rumpke. To arrange for tote rental, call Rumpke at 1-800-828-8171.

For more detailed information, visit <https://www.rumpke.com/> or call the City at 513-346-5520.

## Accepting Free Mulch Orders

Mulch is available free of charge to Springdale residents in bulk quantities of either 2½, 5, 7½, or 10 yards. Orders accepted on a first come, first serve basis. Mulch is delivered the first full week of May each year. This year delivery begins on May 6, 2024. Contact the Public Works Department at (513) 346-5520 to make your request.
