

The mission of the City of Springdale Finance Department is to provide quality financial management and reporting, in accordance with Generally Accepted Accounting Principles and City policy.

The Finance Department is responsible for all areas of financial administration, including budgeting, cash management, accounting, purchasing, income tax and financial reporting.

The City of Springdale received the Government Finance Officers Association's Certificate of Achievement for Excellence in Financial Reporting since 1996. This award, earned by less than 10% of the nation's municipalities, demonstrates a constructive spirit of financial disclosure to the community.
