

Property Maintenance Code

Citizen Portal

The [Springdale Citizen Portal](#) can be used to look up case information using a valid case number or to submit a new case for review.

Why a Property Maintenance Code?

The City of Springdale has and enforces a [Property Maintenance Code](#) in order to protect the health, safety and general welfare of its citizens and the general public as well as protect and promote property values within the city.

Who Does This Effect?

EVERYONE! Without a Property Maintenance Code the health, safety and general welfare of everyone, as well as property values, would be in jeopardy. The Property Maintenance Code mandates duties and responsibilities to every owner, operator and occupant of all property within the city.
