

2010 DISTRICT 2 KNOTHOLE RULES

CLASS A, B, C and D

1. Legal teams(s) and players(s)

All teams in the league MUST BE FORMED BY A DRAW. Draws must be with an established Knothole Organization. No established or newly formed teams in the league (1st year in the league) will be eligible for the Waite C. Hoyt Greater Cincinnati Knothole Tournament.

Established team(s) entering Knothole league for the 1st year must have a signed roster by the league director with phone number from the year before. Team(s) cannot add any player(s) to the roster except by a draw.

a) No team(s) that has player(s) TRYOUTS OR ALL STAR TEAM(S) will be allowed in the league.

The DISTRICT EXEC. SUPERVISOR and area organization's Directors will make final decision on any interpretation defining an established or ALL STAR team(s) or team(s) that have tryouts, when a team's eligibility is questioned.

The Executive Knothole District Supervisor must approve any new player(s) added to a team roster, before playing in a league game.

ANY VIOLATION OF THESE RULES WILL BE FORFEIT OF ALL GAMES PLAYED.

2) League Game(s)

League games can only be canceled or changed by the sponsoring organization's Director. No manager or coach can cancel or change a games starting time, date or field. The only reason the game can be rescheduled, other than a rain out or inclement weather, is due to a school/community function. Known school? community conflicts can be taken into account when the schedule is made. No cancellations due to play on other sport's teams IS A VALID reason to cancel a game.

3) Rain, Lightning, Wet Grounds

- (a) Game(s) stopped because of rain, lightning or unplayable fields. The home team must notify the sponsoring organization's Director as soon as possible. The home team manager must notify the visiting team manager of a canceled game as soon as possible. Game(s) can only be canceled due to rain, lightning or unplayable field conditions.
- (b) Game Start Time moved to later time due to wet grounds. Games may not be arbitrarily moved to a later time the same day without mutual agreement by both managers. The managers need time to pole the players and/or parents to assure they can both field teams at the later time. Previous plans may preclude them having enough players. If either team cannot field a team, then the game must be rescheduled like any other canceled game. It is unfair to give a team a forfeit due to circumstances over which they have no control.
- (c) The Home Team Manager must reschedule all rain out games within seven (7) days after cancellation. Should the manager fail to reschedule the game, the District Supervisor may reschedule the game, resulting in the home team possibly playing back-to-back games.

b) The additional hitter (AH) rule: If using the AH, a 10th batter may be added to the batting order at the start of the game. Any nine of the ten batters may play on the defense. If a team using the AH drops from ten to nine players available, the spot in the lineup is left open and is NOT an out. The re-entry rule applies as well.

c) Managers must choose on of these options before the game begins and state what they are using in the ground rules. They must choose a continuous batting order, an AH or a regular nine man batting order. Any of the starting players or subs may be withdrawn and reentered once, providing such player occupies the same batting position whenever he is in the lineup.

In class A, if after five (5) innings (4 if the home team is leading) a team is ahead by eight (8) or more runs, the game will be declared concluded. In class B, if after four (4) innings (3 innings if the home team is leading) a team is ahead by ten (10) or more runs, the game will be declared concluded.
