Dear Mayor Webster:

I would like to extend my sincere appreciation to you and to S.O.S., Springdale Building Dept., the Nazarene Church, volunteers, my good neighbor Ken Randolph and to Taylor Beck (student at Princeton) and all those who participated in renovating my little house.

1. You, Mayor for helping me through the process.
2. The Building Department for making my application a pleasant, welcoming experience.
3. The Nazarene Church volunteers for painting (great job).
4. My neighbor Ken Randolph for painting shutters and building flower boxes. Has been out of work a long time and has been so caring and helpful, checking on me and other neighbors. I call him the Energizer Bunny as he is always busy helping others.
5. Taylor Beck neighbor student at Princeton, she weeded and trimmed and applied mulch.

It took all these hands and all of these marvelous people to get us to the final place. I am so very proud to call this little house "my home".

I have lived in Springdale since 1958. I love this city and all those who make this such a great place to live. Thank you, Thank you all
