

WELCOME TO THE SPRINGDALE POLICE DEPARTMENT

We firmly believe that our police department is not just a group of people who work within the City of Springdale, but that our police department is part of the City of Springdale. We actively seek out ways to relate to our citizens, businesses, and visitors. Whether it is through our monthly neighborhood watch meetings, seniors meetings, community charitable activities, the citizens police academy, DARE, or other events we know we need to be part of the community and to be engaged with the community.

Springdale is a great place to live or work. We understand as law enforcement professionals the vital role we play in helping keep our community safe and nice. Our dedicated employees are here twenty-four hours a day, seven days a week, to make sure that happens. Please feel free to call or stop in if you have any concerns or questions. We are here for you.

OUR MISSION

The mission of the Springdale Police Department through its interaction with the community is to promote public safety and provide service through crime prevention, proactive and responsive patrols, investigations, and support services by maintaining a professional law enforcement organization.
