

Hamilton County Community Development Block Grant (CDBG) 2024-2026 Project Applications

Project Name	Brief Description	Department	Amount Requested
Senior Room Improvements	This project aims to secure funding to improve the Senior Room at the Springdale Community Center. Enhancements will involve upgrades to flooring, furniture, and other fixtures to enhance accessibility and maneuverability, catering to a wider range of senior programming needs.	Parks & Rec	\$70,000
New Bus Shelters – E. Kemper Road	The purpose of this project is to acquire funding for the installation of two fresh bus shelters along E. Kemper Rd. in the vicinity of Kemper Commons Drive. These shelters will be installed at existing bus stops to provide protection from inclement weather for passengers utilizing public transportation.	Public Works	\$32,000
Bus Shelter Trash Can Replacement	The purpose of this project is to secure funding for the replacement of trash cans situated at 13 locations across the City, near bus shelters. The	Public Works	\$13,000

	existing trash cans, which are over 20 years old, are in varying states of disrepair.		
Heart Monitor/Defibrillator Replacement	This project aims to replace three (3) heart monitors/defibrillators that are no longer supported for parts or repair by the manufacturer. Over the course of the next three (3) years, starting in 2024, the Fire Department intends to replace these units. Each aging unit will be substituted with a LIFEPAK 15, priced at \$45,000 per unit including accessories.	Fire Dept.	\$135,000
Home Improvement Repair Program	The goal of this initiative is to secure funding for homeowners residing in low to moderate income regions outlined in the Census tract. The proposal seeks an annual allocation of \$25,000 throughout the funding duration to cover expenses linked to exterior repairs for owner-occupied residences. Under this program, eligible applicants can receive reimbursement funds of up to \$2,000.	Building Dept.	\$75,000

\$325,000
