Effective date of this bulletin is November 15, 1973 to April 30, 1974.

SPRINGDALE, OHIO 45246

MEMBERSHIP: REGISTRATION INFORMATION

Dear Residents of Springdale:

The Springdale Community Center when completed will be one of the best in Hamilton County. To prove this the Community Center was given the Beautification Award for April, 1973, by the Greater Cincinnati Beautification Committee. You, as residents, have paid for this with your tax money. The Staff at the Community Center wants very much to keep it for residents only, but we need your help.

We at the Community Center hope, as I am sure you do, that Phase II (the outside area) will be completed in the spring. In order to keep non-residents from using the area we have I.D. cards with pictures free of cost to residents only. The only cost we do have, and that is only for those who want to use the pool, is a fee of fifteen dollars. If you do not want pool membership you are still obligated to have an I.D. card made in order to use the rest of the facilities. Residents may bring one guest per membership card to use the facilities. We ask that when you leave your guest leaves with you.

Here is how you go about getting a membership. In this brochure you will find a membership form. Please fill this out front and back. Then call the Community Center at 671-6260 to make an appointment to have your picture taken. Pictures will be taken, starting January 8, 1974, on Tuesdays and Thursdays from 10:00 A.M. to 8:00 P.M. and on Sundays from 1:00 P.M. to 9:00 P.M. If you want pool membership we require that you pay by check or money order on the day you have your pictures taken. Make check or money order payable to City of Springdale, Recreation Department.

For those members who have their 1973 I.D. cards we ask that you fill out the registration form and mail it along with your 1973 I.D. cards and check or money order if pool membership is desired to the Springdale Community Center, 11999 Lawnview Avenue, Springdale, Ohio, 45246. We will then make out your new cards and send them back to you as soon as possible. Make all checks or money orders payable to City of Springdale, Recreation Department.

When at the Community Center you must have your I.D. card with you at all times. Please do not put the members of the staff on the spot by not having your card with you. Even if we know you are a member and you do not have your card, you will be asked to leave the property. If you are asked to show your card do not feel offended, we are only doing this to try to make this facility available to residents only so that outsiders are not able to overtake the Community Center.

By doing this we feel that the residents of Springdale will get the most enjoyment out of what they have paid for.

Thank you for your time and consideration.

Sincerely,

WILLIAM R. HEID

ADULT PROGRAMS

MEN'S FITNESS & JOGGING

Men’s Fitness and Jogging offers men the opportunity to get into shape while relieving the tensions and stress of the everyday job. This program will include running and exercising in a progressive manner designed to increase strength, endurance, flexibility and agility while decreasing inches in your waistline. Each individual will work at his own pace under the supervision of a qualified instructor. All participants will find this a rewarding and enjoyable experience. Classes will be held on Monday, Wednesday and Friday at 5:00 P.M. There will be no fee for this program.

MEN'S BASKETBALL

Men’s Basketball offers an opportunity for men 18 years of age and older to participate in a low keyed but organized basketball program. Teams will compete on a league basis to achieve organization, but the primary emphasis is on enjoying an evening of basketball. Some teams may represent organizations or neighborhoods, while others will be formed from individuals signing up at the Recreation Center. Anyone interested must register at the Recreation Center. This program will be held on Tuesday and Thursday evenings from 9:00 - 11:00 P.M. There will be a small charge for each team for officials, awards, etc.

WOMEN'S VOLLEYBALL

Wednesday evenings from 7:30 - 9:00 P.M. are set aside for Women’s Recreational Volleyball. Two full courts are available for team play or practice. Volleyball is becoming a favorite international activity for both men and women, so now is the time to get started.

WOMEN'S SLIMNASTICS

Slimnastics is a fitness class emphasizing the components of: flexibility, agility, strength and endurance. Each participant will be brought along slowly, although maximum effort will be attempted in order to achieve the desired results. There will be no charge for this class.

MEN'S VOLLEYBALL

Power volleyball and recreational volleyball will be conducted together. For those who like the competitive aspect, we will have half the gym on Monday and Wednesday nights as power volleyball. This stresses the fundamentals of bumping, setting, spiking, offensive and defensive maneuvers. A team is being formed and play will begin shortly in the YMCA League on Wednesdays and the Evendale League on Thursdays.

If you just like to play for the fun of it, come out and participate on the other half of the gym in a pick up game. Either way you play - you'll enjoy it!

ADULT TENNIS LESSONS

Classes are being offered for beginners and intermediates. Basics of tennis will be taught in beginners and more advanced skills, such as strategy, net play, etc. will be included in the intermediate class. Students will furnish their own rackets, and balls will be provided. Cost $8.00/8 lessons. 10 - 12 students per instructor.

First session October 17 to November 9. You will be glad you took advantage of this class by Spring when we have our own new courts.

FAMILY GYM

Family Gym is for the use of Springdale families in the Recreation Center Gymnasium. Families will have access to any of our apparatus, balls and other equipment. It is a chance for families to enjoy recreational activities together. One adult must be present with each family. Family Gym will be held on Sundays from 3:00 - 6:00 P.M.
GYMNASTICS

Fundamentals in tumbling, floor exercise, trampoline and apparatus will be taught at no cost by qualified instructors. This is a coed activity and will eventually lead to the formation of a team with instructional classes remaining the same.

CHILDREN'S MOVIES

If this program is successful initially, good movies will be shown continually at unusually low rates. Children of all ages and adults who are young at heart are welcome. A list of possible movies might include: The Absent-Minded Professor; Born Free; Davy Crockett; King of the Wild Frontier; The Great Locomotive Chase; Jim Thorpe, All American; The Monkeys Uncle; Pollyanna; and Spencers Mountain. The children of Springdale have never had such a bargain!

TEEN NIGHT

Friday nights in the gym are reserved for Junior and Senior High School students. Different activities are planned, but all will be on a casual, drop-in basis. Dances will be common, as well as other gym activities, geared for this age group. Enthusiasm has been shown for these activities in the past and large crowds are anticipated this year. Come and join in the fun.

MAGIC LESSONS

Learn to be a magician. Future magicians (recommended ages 8 - 12) will learn 2 or 3 tricks each week. These include coin tricks, rope tricks and other tricks with apparatus. The majority of the tricks are commercially prepared. All necessary items are furnished. The lessons are conducted by a professional magician, Professor Pryor. Two classes: Tuesday 4:00 - 4:45 P.M. and 4:45 - 5:30 P.M. Register early — classes limited to 15 per class.

YOUTH ACTIVITIES

This period of time in the gym is set aside for children ages 6 - 12. It will be used to supplement the activities that the children receive in their school gym classes. This will include, primarily, games and the use of equipment to which the schools do not have access. Some examples are roller skating on the gym floor, gym hockey, trampoline work, roller skate hockey, dodge ball, etc. This period is an excellent time for both boys and girls to spend a healthy and enjoyable afternoon with their friends at the Recreation Center. There is no fee for this activity. Monday — Friday, 3:00 - 4:00 P.M.

KUNG FU KARATE

Chinese Kung Fu Karate is one of the most active styles of the martial arts. There are no tedious regimented practice sessions as in other styles. Many moves, kicks and forms are taught each day. Kung Fu is very offensive and, therefore, dangerous. Much time is spent on gaining the proper attitude and spirit in class and away from class. The instructor reserves the right to not accept or to discipline any student whom he feels cannot comply with or mentally adjust to this class. Cost is $1.00 per lesson and you may begin at any time.
SPECIAL INTEREST

Starting in January a class will be held on Monday evenings from 7:00 - 9:00 P.M. Cost is 50¢ for class. Cost for firing items is ½ the cost of green ware. Any glazes that are needed must be bought.

YOGA

Is the hectic pace of day-to-day life wearing you out? Are mental tensions getting you down? Learn the healthful way to relaxation, and shape up at the same time . . . . through YOGA. Classes for beginners will start on Wednesday, January 9th and go through February 27, 1974. Intermediates start January 10, and go through February 28, 1974. March 6, 1974 through April 24, 1974 will be the second session of beginners. March 7, 1974 through April 25, 1974 will be the second session of intermediates. TINY TOT ACTIVITY PERIOD

The Community Center will be starting the third session of the Tiny Tot Activities in January. The fee is $3.00 for 10 class meetings in a five week period. Activities include story time, group singing, motor skills, crafts, and other children's activities. Due to classroom facilities and workable teacher to student ratio, these classes will be limited to 20 children per class. There are two teachers per class. Children age 3 will meet on Monday at 10:00 - 10:45 A.M., and on Wednesday at 11:00 - 11:45 A.M. Children age 4 will meet on Monday at 11:00 - 11:45 A.M. and Wednesday at 10:00 - 10:45 A.M. The time changes are due to the Tiny Tot Gym schedule.

SENIOR CITIZENS

The Springdale Senior Citizens Club has 60 young-at-heart registered members. Activities such as card playing, horse shoes, guest speakers, bowling, movies, and trips are only a few of the activities that the group is involved in. Meeting time is Tuesday from 12:00 noon until 4:00 P.M. Requirements are that you must be 60 or older or retired. Both husband and wife do not need to meet the requirements. If transportation is needed, call the Community Center at 671-6260. Come one and all and be a part of this growing club.

DIET WORKSHOP

To win you have to be a loser. Come to the Center every Thursday at 7:00 P.M. A doctor approved way of taking weight off and keeping it off while enjoying gourmet recipes. Public is invited under no obligation for one free lesson. Instructor is Edna Dearth. For further information call 761-SLIM.

SPINNERS WHEELCHAIR BASKETBALL

This is truly a unique group using the Community Center gym on Saturday from 10:00 - 12:00 P.M. The Spinners are a wheelchair basketball team for handicapped men. The team plays their games at the Center on Sundays from 1:00 - 3:00 P.M. and in other gyms all over the United States. Springdale residents are welcome to observe all practices and games. Admission to the games is $1.00.

Open Gym 3:00 - 6:00

Daily Hours: Monday thru Saturday – 10:00 A.M. to 11:00 P.M.

BASKETBALL

The Springdale Recreation Department’s Basketball Program (formerly Springdale Youth Association Basketball) is entering its fourth season with plans to have leagues for all age groups of both sexes, from nine years old up to and including adults.

Last year’s program had sixteen teams in two leagues and we hope to double the number of teams and add three or four new leagues this year.

Cheerleaders will be used for all games to provide a lot of excitement. In addition to this, we have all games being played at the Recreation Center with plenty of seating, an electric scoreboard and well-trained officials.

Many new coaches and assistants are needed, and also mothers to help with the cheerleaders.

SOCCER

The 1972 Springdale Soccer Program is now in full swing with 25 teams comprised of over 400 boys and girls competing in league play. This figure represents a 90% increase in participating youngsters over the 1971 season.

The exciting sport of Soccer was started in Springdale in 1968 with the formation of 3 boys teams in the Passers (age 6 - 8) and Wings (age 9 - 11) divisions. Since that time the program has grown to the point that there are now teams in six different divisions.

This program, under the direction of Herb Spangler, is an excellent opportunity for all children and we encourage your participation.

BASEBALL

The Springdale Youth Association for many years has sponsored a community baseball league consisting of approximately 20 teams in 3 different divisions. The program has been at its present level for about two years.

Other programs, which make Springdale the No. 1 baseball town around, are the Knothole program with about 12 teams from Springdale, the Springdale Farm system with 18 teams, girls' softball (now 15 teams strong), and a couple of women's teams. It's ironic that women's teams got started before men's teams did, but we hope to correct that situation by next summer.

It will be very nice for teams to be able to play at the new Recreation Center and, also, playing under the lights.
ROSS PARK

Ross Park at this time is probably Springdale's largest and best developed park. It contains a baseball field, tennis courts, a children's play area, picnic tables, a basketball court, a football - soccer field and a nice wooded picnic area.

CHAMBERLIN PARK

Chamberlin Park is going to be our most outstanding park in the near future. Plans are well underway on this 13 acre tract located in the Heritage Hill area. Plans include: a field sports area for baseball and football - soccer, a creative play hill which is a new concept to this area, picnic areas, a tiny tot play area, basketball courts, a nature study area, a sports & games area, a day camp area, and future proposals including tennis courts, a lodge for parties and dances and an olympic-sized pool. Completion is set for Spring of 1973.

For further information, contact the Recreation Center.

UNDERWOOD PARK

Our "mini park" located off Grandin Avenue contains a baseball field, basketball courts, apparatus areas and a small playfield. This park has a summer supervisor who coordinates the summer activities.
TEAM SPORTS

BASEBALL
Springdale has boasted a well organized baseball and softball program for several years. Youngsters in this area may choose from boys Knothole and Springdale Youth Association baseball for all ages. We also hope when Phase II is completed that we will be able to have adult men's and women's softball. Look for sign up around the first of March.

SWIM TEAM AND DIVING TEAM
This past summer was the first time for the Swimming and Diving Team. Between 60 and 70 boys and girls took part in the summer time activity. The team is now swimming on Tuesday night at Princeton High School in preparation for next season. A lot of hard early morning hours were spent by coaches and swimmers. Come out next summer and help cheer on the team. A great deal of thanks from the Center goes to the parents who helped make the first year a great one.

SPRINGDALE COMMUNITY CENTER PHASE II
With the outside area of the Community Center property almost completed, the staff hopes to provide many different kinds of recreation outside for all age groups. The area will include six baseball fields, two of which have lights. Four of these fields can be used for soccer and football. We will have four tennis courts, two basketball courts and a multi-purpose area that is for handball or racquetball, volleyball and ice skating in the winter. We also have horse shoe pits and an area for shuffleboard. Also included is an amphitheater for our band and special events.

OUTSIDE TENNIS COURTS
Upon completion of our four outdoor lighted tennis courts, play may begin. On weekdays, daytime play will be on a first come first served basis. If, however, the courts should become crowded, courts should be only occupied for approximately one hour at the maximum. Starting at 5:00 P.M. on weekdays, reservations will have to be made for tennis play. Reservations will also be made for Saturday from 10:00 A.M. to 11:00 P.M. and Sundays from 1:00 P.M. to 9:00 P.M. Courts may be reserved for one hour. Reservations can be made the day before, but no sooner. For court reservations, call 671-6260.

TOT LOT
Toddlers and youngsters up to 12 years of age are invited to explore our modern Tot Lot. Parents, bring your children and let them enjoy the giant sandbox and explore the maze and castle.
