COMMUNITY CENTER -- DAILY HOURS

Monday thru Friday ........................................ 9:00 A.M. to 11:00 P.M.
Saturday ......................................................... 10:00 A.M. to 9:00 P.M.
Sunday ............................................................ 1:00 P.M. to 9:00 P.M.

Between January 1st and March 31st is the time that we register for membership at the Center for the year 1977. Included in the packet is an application form that you may complete. If the pictures in your present Identification Cards are satisfactory, you may return the completed application form and the 1976 cards to have new cards made up for 1977.

If current pictures are unsatisfactory or if you are a new applicant, you will need to call and secure an appointment to have pictures made so that we can complete the Identification Card.

I believe it is appropriate to point out here that the increased number of incidents of non-resident use of facilities will warrant the staff requesting to see your Identification Card more frequently. Therefore, please be prepared to show your card when you visit the Center.

For those who want Pool Membership the fee is $30.00 payable with the application for membership.

After March 31, the 1977 cards will be required to use the facilities. A fee of $3.00 will be charged for late registration after that date.
MEMBERSHIP & GENERAL REGISTRATION

The Springdale Community Center offers residents of the City of Springdale two types of memberships. These are titled Regular Membership and Pool Membership. Regular Membership entitles each resident to use all the facilities of the Center except the pool. Pool Membership entitles each resident all Center privileges including those of the pool during the summer season.

Fees for membership per family are as follows:

<table>
<thead>
<tr>
<th>Membership</th>
<th>Thru March 31, 1977</th>
<th>After March 31, 1977</th>
</tr>
</thead>
<tbody>
<tr>
<td>Regular</td>
<td>Free</td>
<td>$3.00</td>
</tr>
<tr>
<td>Pool</td>
<td>$30.00</td>
<td>$33.00</td>
</tr>
</tbody>
</table>

Upon completion of the membership application, I.D. pictures are taken and individual I.D. cards are issued to each member of the family.

Appointments must be made in advance for photographs due to the large volume of memberships. We require that membership cards be carried at all times when on the Community Center grounds. If an employee of the Center asks to check your I.D. card, please understand that this is the only way we have of insuring that the Center is being used by Residents exclusively.

Policy concerning guests of members:

There is no charge for guests who come to use the gym or outdoor facilities (except the pool) along with members. We do ask that residents limit their guests to one per member unless a whole family is involved. Guests must be accompanied by a member in good standing at all times.

There is a charge for guests coming in to use the pool. Pool guest fees are as follows:

- Ages: Under 2 - Free
- 2 - 17 - $1.00
- 18 - up - $2.00
- Families - $3.00 max. per family

Weekly Guest fees - $5.00 per person

A member may bring an entire family; however, at least one parent must be present.

Those groups or organizations who wish to use the Community Center building or grounds must fill out an application which is available in the office. Each application is reviewed by the Director and fees, if any, are set. In cases where our present policy is inadequate, applications will be reviewed by the Recreation Commission. Groups are then notified of the acceptance or rejection of the application. Application should be filed early in order to insure the date wanted will be open.

SPORTS ACTIVITIES

A large number of young people and adults participate as a part of teams in Springdale. The Sports Advisory Council organize the youth who want to participate into teams and leagues in softball, baseball, basketball, volleyball and soccer. The staff then schedules these teams for games on City facilities. During the past year, 1,086 different young people participated in one or more of those activities.

The staff at the Center helps to organize the adults of the City into teams in softball, basketball, and volleyball. If you are interested in participating in one of these sports activities, call the Center to get information for the appropriate times to register.

SAC-The Springdale Sports Advisory Council is a group of parents & coaches who make the policies and rules which govern the sports handled through the Springdale Community Center for our youth in Springdale.

FRYS-Fund Raisers for Youth Sports is a group of parents & coaches who are in charge of raising funds to help finance the sports for youth in Springdale.

Registration forms for the youth are passed out by SAC/FRYS to the elementary schools. For the older children, forms are available in the Community Center office. Signups for all the sports are included on the one form so be sure that all sports desired are filled out. Forms for the year of 1977-78 sports will be accepted until March 1, 1977. Any forms handed in after that date are considered late.

Each youth sport that the Community Center offers has a late signup period.
These are: Baseball - Begins March 1, 1977
Basketball - Begins October 1, 1977
Soccer - Begins July 1, 1977
Softball - Begins March 1, 1977

Christmas at the Community Center

Lunch with Santa, given by Springdale Kindervelt is a delightful event for the children. All proceeds from "Lunch with Santa" go to the Children's Hospital Medical Center.
INSTRUCTIONAL ACTIVITIES

Certain instructional activities are carried on at the Center for which fees are charged. The fees are established to cover the cost of the salary for the instructor and the expendable materials used in the class. Registration is limited to a number that is not too large to be effectively directed in the class and a minimum number is established so that the class is self-sustaining. If the number registering is too small, the classes will not be initiated. When the maximum number is reached, further registration will not be accepted.

First Aid
The Springdale Fire Department has the facilities and capabilities to provide Emergency First Aid treatment and instruction for any group in the Community which desires it. This would be usable to anyone to provide the best procedures to be carried out before the emergency life squad reaches the victim. The instruction would take two hours for each of two nights. Classes will meet the first Tuesday and Wednesday of each month. Any group desiring such instruction should call Chief F. W. Smith - 772-1826 or Capt. J. R. Ferris - 671-6069.
