S.A.Y. Soccer -
Spring (April-June)
Fall (August-October)
The Soccer Association for Youth was formed to provide an organization within which children could learn and play soccer, the world's most popular sport. The fact that any size player can be successful at the game and the modest expense required to field a team make it possible for many children to participate in organized competition. These factors, plus the enthusiasm of the children once they have played the game, have resulted in a rapid growth of the S.A.Y. program.
