MEMBERSHIP & GENERAL REGISTRATION

1988 MEMBERSHIP CARDS EXPIRE MARCH 31, 1989

Between January 1 and March 31 is the time that we register for memberships for the year 1989. If the pictures on your present identification cards are satisfactory, and you are still a resident of Springdale, you may return the 1988 cards to have new ones made up for 1989. If current pictures are unsatisfactory or if you are a new applicant, you will need to have pictures made so that we can complete the Identification Card.

For those who want a Pool Membership, the fee is $35.00 payable with the application for membership.

After March 31, a 1989 card will be required to use the facilities.

There will be a penalty charge for changing from a Regular 1989 Membership to a Pool 1989 Membership plus a $1.00 charge for each I.D. card which has to be changed. (Example: 4 members in family - charge for change would be $35.00 + $4.00 for 4 new cards = Total $39.00.

ANSWERING MACHINE
If you haven't already, you may have an opportunity to call us and get a recorded message. We have this capability connected to our 671-6260 number to promote upcoming events, so you know if field conditions for games, and to take your message should we be temporarily out of the office.

Along with this new service, we want to promote our second number which we have always had, 671-6395. In the past, if you called 671-6260 and it was busy the other line would automatically ring. This is no longer the case since we have added the recorder so we want you to make aware of our second line. S.A.Y. Soccer -
Spring (April-June)
Fall (August-October)

The Soccer Association for Youth was formed to provide an organization within which children could learn and play soccer, the world's most popular sport. The fact that any size player can be successful at the game and the modest expense required to field a team make it possible for many children to participate in organized competition. These factors, plus the enthusiasm of the children once they have played the game, have resulted in a rapid growth of the S.A.Y. program.
