Dear Patrons:

With an election and another holiday behind you, what is there to do until the grass needs cutting? Why not keep us company and participate in a variety of team sports, instructional programs, racquetball, and weight training.

After the grass does need cutting, stick around because along with swimming and our summer concert series is the 2nd Annual Spirit of Springdale Festival. Last year's event drew approximately 15,000 people. We have planned additions and improvements to what was already a very successful holiday in '92.

We're here to assist you in enjoying your leisure time to the fullest. We hope 1993 is good to you and that we see you often.

Sincerely,

James H. Burton
Parks and Recreation Director

LIFETIME ACTIVITIES

Equipped Exercise Area
The equipped exercise facility features state of the art equipment to provide patrons with an effective and safe exercise experience. The equipment is suitable for use by men and women of any age and physical condition. Total body conditioning can be achieved through use of both cardiovascular equipment and Nautilus weight machines.

A pair of Schwinn Air-Dyne stationary bikes offers excellent cardiovascular benefits. The upper and lower body may work simultaneously or independently. As you exercise, the fan wheel generates air resistance, which provides a smooth increase in workload and calories burned. It also generates a breeze, cooling you as you exercise.

The StairMaster 4000PT is probably the most popular piece of equipment in the fitness industry today. It simulates a stair climbing movement without the trauma associated with other forms of exercise. Exercise intensity level can be adjusted as well as the pedal height. A computer console allows the selection of pre-designed programs and an exercise summary including calories burned, floors climbed, and distance traveled. The StairMaster creates a uniquely smooth, fast and effective workout.

For those interested in body toning and strength conditioning, the "Nautilus Next Generation" equipment will be very effective. The series of eight machines have been carefully selected to provide a total body workout. You will find the weight machines safe, comfortable and efficient in meeting your fitness needs. They include the following: Leg Extension, Leg Curl, Bench Press, Compound Row, Abdominal, Lower Back, Multi-Biceps, and Multi-Triceps. As with all the fitness equipment, it is required that all patrons attend an
orientation on use of the facility. Also, the staff will be glad to answer any questions or advise you on meeting your fitness needs. Due to heavy programming and usage by members during the fall and winter months, it is necessary to establish a no-guest policy for the time period of November 1st thru March 31st. During this time period, only members of the Springdale Community Center will be permitted to use the equipped exercise area. This is for the safety and convenience of our patrons.

U.S.Y.S.A. Soccer
Spring (April-June)
Fall (August-October)
The United States Youth Soccer Association was formed to provide an organization within which children could learn and play soccer, the world's most popular sport. The fact that any size player can be successful at the game and the modest expense required to field a team make it possible for many children to participate in an organized competition. These factors, plus the enthusiasm of the children once they have played the game, have resulted in a rapid growth of the U.S.Y.S.A. program.

A player who is qualified by age to play in one division may play in the next older division but only with the written approval of the parents.

Children must be at least 6 years old by July 31, 1993 to participate on a soccer team.

Instructional Soccer is offered to children who will be 5 years old by July 31, 1993. There is a $5 fee for instructional soccer.

Queen City Youth Basketball League (December-February)

Volleyball-January thru March
9-12 year olds — Any youth 9 years of age by September 30 who has not reached 13 before September 30. Youth participating in this league will receive several weeks of instruction in the basic fundamentals of power volleyball. Players will then be divided into teams and play league games beginning in January. Following completion of the league, the season will be ended with tournament play. This league is great for developing our future volleyball players. Games are played on Tuesday evenings.

13-17 Year Olds - Power volleyball will be offered for any youth between the ages of 13-17 years old. Practices will begin in December. It has been quite some time since we have been able to offer this program for teenagers, so pass the word around to your friends. We need your help in making this league a success.

F.R.Y.S., INC.
Fund raisers for Youth Sports is a volunteer organization of parents and coaches who raise funds to assist the youth sports programs. The funds generated cover league entry fees, uniforms, officiating fees, and awards. This group's efforts are greatly needed and appreciated by the Community Center staff.

F.R.Y.S. can always use your services. Please contact a F.R.Y.S. member or the Community Center if you can help by giving some of your time.

Members of F.R.Y.S. are Cherie Burt, Sandy Burt, Bob Diehl, Gary Florent, Carolyn Hollis, Barb Hornman, Rob Hornman, Bob Kirn, Mike Laage, Donna Lanter (President), Marge Pollitt, Dan Price, Wanda Price, and LaVonne Webster.
