Sleeves up Springdale! Help end the COVID-19 pandemic!

The COVID-19 vaccine is here, it’s up to 95% effective, it’s safe, and it’s free.

The COVID-19 vaccination provides 3-4 years of protection against the virus. Let’s roll up our sleeves and end the COVID-19 pandemic for our loved ones, for our seniors, for our neighbors, and for the Springdale community.

Email the Springdale Health Department at health@springdale.org to get registered for a free COVID vaccination clinic at the Springdale Community Center, or call us at 513-346-5725 to register for an upcoming COVID vaccination clinic. Be sure to provide your full name, your date of birth, and your phone number so we can get you registered for a COVID-19 vaccination appointment. Thanks for doing your part to end the COVID-19 pandemic.

What's New in the Building Department?

For starters, the Building Department has been busy implementing a new computer program to help manage permits, cases, inspections, etc. more effectively. A component of the program of particular interest is our Citizen Portal. Applications for building permits, zoning variances, and more are able to be submitted online through this portal. You will also be able to view the current status of a permit or case and be able to conveniently schedule inspections or pay fees. The portal can be accessed on the Building Department’s webpage at www.springdale.org/building-department.aspx.

Additionally, there have been a couple of changes made to the City’s Zoning Ordinance regarding parking a commercial vehicle in a residential area and the City’s Rental Permit Ordinance regarding rental inspections. Please view the changes at the website listed previously and follow the relevant link.

The Building Department seeks to partner with the residents of Springdale to help keep the City beautiful, property values up, and to promote the general health, safety, and welfare of its citizens. To assist in this endeavor, please call our Property Maintenance & Zoning Hotline at 346-5734. Thank you for being an integral part of this process.
City of Springdale Staff Updates

**Police Department**

Ezell Leonard graduated from Woodward Career Tech High School, where he played football, basketball, and baseball. After high school, he started his journey towards law enforcement by attending the UC Clermont Police Academy. Shortly after graduating from the Police Academy, Officer Leonard joined the Village of Lincoln Heights Police Department and most recently worked at Mount St. Joseph University. Officer Leonard is very happy to be here and ready to serve this great City for years to come.

Officer Melinda McIntosh is a second generation officer, whose father works for Middletown Police Department. Melinda grew up in Farmersville, Ohio and graduated from Valley View High School in 2016. Following high school, Melinda attended Ohio Northern University and graduated with a Bachelor’s Degree in Criminal Justice and Psychology in 2020. She just recently graduated from the Great Oaks Police Academy and is currently completing her Field Training Program. Melinda is engaged to her high school sweetheart and is getting married this June.

Officer Onam Williams was born in Cincinnati, Ohio and grew up in Springfield Township, Ohio. He graduated from Mt. Healthy High School in 2000. Onam attended the Great Oaks Police Academy and graduated in 2010. Before joining the Springdale Police Department, Onam worked as a police officer for the City of Mt. Healthy from 2012-2020 and the Village of Lincoln Heights from 2010-2013. During his tenure at Mt. Healthy Police Department, Onam obtained the Mater Criminal Investigator certification from the Ohio Peace Officer Training Academy.

Officer Steve Garren graduated from Princeton High School in 2005. He enlisted in the Marine Corps Reserve out of high school and served as a Marine until 2013. In 2018, he again enlisted, this time serving in the Navy Reserve. Prior to joining Springdale PD, Steve worked as a Hamilton County Deputy Sheriff from 2006 until December 2020. PO Garren is married and the father of three kids. He is an avid Ohio State Buckeyes fan and enjoys fishing and the outdoors. He is a member of the Springdale Community and a soccer and basketball coach for the Springdale Youth Boosters.

**Fire Department**

Firefighter/Paramedic Kelsie Yarbrough began her employment with the City of Springdale Fire Department on November 10, 2020. She was born and raised in Kansas. Kelsie graduated with honors from Kansas State University where she earned a Bachelor’s Degree in Education. She moved to Ohio in 2012 and obtained her Firefighter II and Paramedic certifications. In her free time, Kelsie enjoys skiing, hiking, fishing, camping, rock climbing, and playing the drums. Kelsie is assigned to Unit 3.

Firefighter/Paramedic Frank Puglielli began his employment with the City of Springdale Fire Department on November 14, 2020. Frank is a graduate of Bishop Fenwick High School. He attended Cincinnati State where he earned his paramedic certification. He has a passion for physical fitness. Frank enjoys competing in a recreational soccer league, playing the guitar, and spending time with his family in his free time. Frank is assigned to Unit 1.

**Building Department**

Lori Thornton has joined the City of Springdale Building Department as the Administrative Assistant. She spent the last 8 years employed with the Clermont County Building Department as a Permit Specialist II. She brings to Springdale knowledge of implementing new computer software and ideas to help the Building Department move into the future. Lori has one son who graduated from Xavier University and is furthering his education at the University of Cincinnati. In her personal time, Lori enjoys traveling and spending time with her family and friends.

Rich Ellison joined the Springdale Building Department as a Property Maintenance Inspector in December 2020. He was born in Cincinnati and grew up in Springdale. He graduated from Princeton High School in 2011 and went on to Cincinnati Christian University to earn his Bachelor’s Degree in Business Management. Rich has spent 8 years in the Facility Management field and currently lives in Green Township with his wife and two boys. He’s excited to be back in Springdale!

**Public Works Department**

Rich Borgman, an employee of the Public Works Department since 2007, was promoted to Crew Leader in December of 2020. He is a graduate of the Road Scholar program through ODOT, is an ISA certified arborist, and has a combined 23 years of experience working for the public at Delhi Township and the City of Springdale. Rich looks forward to the challenge of the new role of assisting in the guidance of the daily operations for the Public Works Department.
City tax returns due April 15th

The due date for Springdale’s 2020 tax return is April 15, 2021 (received to the tax office or postmarked). The items required to be included with the City tax return are W-2 form(s), page 1 of Federal form 1040, Federal Schedule 1 (any other applicable Federal forms), form 1099 Misc., form 1099 NEC, and any other schedule to support the local tax return activity.

Who must file a City return?

All residents 19 years and older are required to file a tax return, whether or not tax is due. Retired residents will need to file a zero taxable income return, then the account can be established in a retired status and subsequent Springdale tax filings will not be required (assuming the retired resident has no further taxable income). In addition, all businesses located in Springdale and businesses that earn income from work performed in Springdale are required to file a tax return, whether or not tax is due.

Extension Requests

If you have received a Federal filing extension, you will receive an automatic extension for filing the Springdale tax return until October 15, 2021 (please include a copy of the Federal extension when filing). If you have not received a Federal filing extension, a written extension request must be received by the filing due date (April 15, 2021) and an extension will be granted until October 15, 2021. Even if you have obtained an extension for filing your tax return, tax balances are still due by April 15, 2021.

Other Items

Please keep the following in mind regarding the 2020 Springdale tax returns:

- A late tax return filing will incur a penalty of $25 per month, up to a maximum of $150 (six months late).
- A late payment penalty of 15% of the tax balance owed will be incurred for balances that are not paid by the due date.
- Gambling, lottery winnings, and prizes are taxable.
- Tax return original amounts owed of $10 or less will not be collected, and any refund request of $10 or less will not be refunded or carried forward to the subsequent year.
- The tax rate for 2020 is 2.0%.

Tax Department Hours

The Tax Department regular hours are Monday through Friday from 8:00 am until 5:00 pm. The Tax Department will have extended hours as follows: Saturday, April 10 from 9:00 am to 1:00 pm; and Monday, April 12, Tuesday, April 13, and Wednesday, April 14 until 6:00 pm. On April 15, the Tax Department will be open until 5:00 pm.

Questions

Questions can be directed to the tax office at 346-5715 or in person at the tax office at the Springdale Municipal Building. Residents waiting to file until April 15 could experience a long wait.

Your Recycling Bin is About to Get Tubby!

Now accepting yogurt containers, butter tubs, and fruit cups. Did you know that more than half of all your trash is recyclable? And Rumpke is committed to recycling even more. Introducing tub recycling! Plastic bottles and jugs and now other containers such as butter, sour cream, and cottage cheese tubs as well as yogurt and fruit cups are now acceptable in Rumpke’s curbside and drop box programs. Like with other items on Rumpke’s acceptable item list, Rumpke has stable, long-term end users for this material.

The addition of tubs is made possible with a grant from The Recycling Partnership. The funding helps Rumpke add nearly $2 million in new sorting to better extract these containers for recycling.

So yogurt lovers rejoice! It’s time to toss those tubs in your bin. Check out the information below to learn about all the materials you can recycle through your Rumpke recycling program!
you see something suspicious, never hesitate to call the police!

Before the hard work of the new plantings, there will be a fun and informative special meeting of the club on April 12. Joyce Loving-Browning will address the club and guests dressed as the historic person she is portraying. She will tell the story of that person and the times in which she lived. The main topic will be “Pioneer Life circa 1803.” Among other subjects, she will demonstrate making butter circa 1803. There is no cost to attend the meeting, but since seating is limited, reservations are required by Thursday, April 8.

On May 10, there will be a workshop and demonstration about Terrariums and Bottle Gardens. The ins and outs of creating a tropical atmosphere for moisture loving plants will be addressed. Bev Mussari, a member of the Herb Society and the Federated Garden Clubs, will share her knowledge on the subject. Those wishing to take part should bring their own glass container with a lid or small opening. Plants and materials will be provided. Again, there is no cost to attend, but seating is limited, so please make reservations by May 6.

On May 22, Garden Club members will be joining with Sherrie Owens, the Community Center’s Senior Coordinator, for a workshop on Fairy Gardens. This is a fun family event that our club will enjoy hosting for a second time. Cost will be determined at a later date, and reservations are made through the Community Center.

June 14 will be a business meeting at the Community Center. We will be making plans for our October flower show to be entitled “Worlds of Art and Botanicals Together.” You will be able to enter your creation or just take a look at your neighbor’s creations. There will be more information on this event later.

Also in June, there will be visits to gardens in the local area.

For more information about our Garden Club, or one any of the events described above, contact Joan Knox at 674-7755 or at joanknox99@fuse.net.

Preventing Scrap Metal Thefts

Because there is value in scrap metals, police all over the region are seeing an increase in thefts. In years past, this has led to thefts of copper piping, air conditioners, catalytic converters (from vehicles), different types of wire, and even empty beer kegs. In Springdale, we have had some catalytic converter thefts which can be a major inconvenience to repair and costly as well. Many of these criminals are quite brazen and commit these thefts in broad daylight. Rest assured, we are on the lookout for offenders, but there are also some things that we all can do to prevent these thefts.

Catalytic converters are part of your vehicle’s exhaust system and are located underneath your vehicle. Thieves can slide underneath the vehicle and cut them off fairly quickly with a saw. For this reason, one clue would be if you see someone who appears to be working underneath a car, particularly in a parking lot where someone wouldn’t typically be working on a car, they might be suspicious. It is best to park in well-lit areas, typically closer to entryways where more people are coming and going. If at home, park in the garage or close to it. Also, parking closer to a wall or curb may limit the thieves’ access to the underside of the vehicle. Catalytic converters can be welded or locked onto the vehicles if you choose to go that route.

Wiring, copper piping, or even air conditioners can be stolen right out of the walls of houses and businesses. Often the damage created by taking these items costs more to repair than the items themselves. Thieves will often look for vacant homes, homes for sale, or businesses that are closed for the weekend or night. Rental homes or homes with people away at long-term care can fall victim as well. Cameras and alarm systems can help prevent these thefts as well as a trusted, nosy neighbor and regular visits to the property.

These criminals can be tough to catch, but with the help of the public eye, we can put a stop to them. Investigators spend a great deal of time checking with scrap yards and conducting plainclothes surveillance. We encourage our residents to do their part and look out for their neighbors and fellow citizens. If you see something suspicious, never hesitate to call the police!

2021 Summer Road Construction Projects

The City is currently planning multiple roadway improvement projects. Of the projects under design, two projects will have aspects of their work begin during the 2021 construction season. Pictoria Drive and Northwest Boulevard located between State Route 4 and Crescentville Road and Centron Place, Tricon Road, Progress Place, and Container Place located between Crescentville Road and State Route 747 are all currently under design for various road related upgrades. Curbing and catch basins are planned to be addressed during the 2021 construction season while the paving work on some of these streets will take place in 2022.

Increased traffic on East Crescentville Road between Strategic Parkway and Centerdale Road has occurred over time. With the existing pavement condition reaching the end of its useful life, the Butler County Engineer’s Office, the City of Springdale, and the City of Sharonville partnered on a grant application for federal funding. The project will add a third lane on the north side of Crescentville Road, replace and add curbs as necessary, upgrade and add storm system components, add a traffic signal at the intersection with Chesterdale Road, upgrade the traffic signal at Tivoli Lane, and upgrade various utilities serving the area. The project is under design, and the majority of the road related construction will begin in 2022. Portions of the utility work will take place in 2021.

Springdale’s Upcoming City Elections in November

Per the Home Rule Charter of Springdale, Ohio, all municipal elections shall be on a non-partisan basis, and there shall be no party designation on either nominating petitions or ballots for any municipal office.

This November, the following offices are up for election: Four Council District Seats

Springdale’s elections are conducted by the Hamilton County Board of Elections. Petitions must be filed not later than 4:00 pm of the seventy-fifth day before the day of the general election. This year, petitions are due by August 19. Further details can be obtained at www.votehamiltoncountyohio.gov or by calling 513-632-7000.
Household trash services

In the City of Springdale, trash and recycling collection services are provided by Rumpke on a weekly basis at no cost to residents. Rumpke has certain provisions and restrictions on the type of material that can be collected.

- Trash/recycling must be placed curbside the night before your scheduled collection. Drivers may not return to residences if materials are unprepared at the scheduled collection time.
- Cans and bags should not exceed 50 pounds.
- Do not place trash at the curb in boxes. All boxes should be broken down, bundled, and placed out for recycling.
- Bulky materials including drywall, concrete, bricks, dirt, or rocks are not acceptable.
- Any mattress or upholstered furniture must be completely sealed in disposable plastic for removal.

For more detailed information, residents can visit Rumpke’s website at www.rumpke.com or they may call the City at 513-346-5700.

Help Stop Volcanos in Springdale

Working outside in the yard can bring many great benefits to the landscape and to your health. One practice that helps the landscape is the proper mulching of trees.

When mulching your tree, only apply a small amount of mulch (no more than 2-3” of total mulch) around the base of the tree, keeping the diameter of the mulch ring as wide as the branches of the tree. Mulch placed near the tree trunk should be pulled away from the tree trunk by several inches.

For additional information about the hidden dangers of mulch volcanos around your trees, please see the Ohio State University’s Buckeye Yard & Garden online page at www.bygl.osu.edu and search for “volcano mulch.”

Cooking Safety

Cooking fires are the number one cause of fires and injuries within the home. Unattended cooking is the leading cause.

What you should know about home cooking safety

- Be on alert! If you are sleepy or have consumed alcohol, don’t use the stove or stovetop.
- Stay in the kitchen while you are frying, grilling, boiling, or broiling food.
- If you are simming, baking, or roasting food, check it regularly, remain in the kitchen while food is cooking, and use a timer to remind you that you are cooking.
- Keep anything that can catch fire — oven mitts, wooden utensils, food packaging, towels or curtains — away from your stovetop.

If you have a cooking fire

- Just get out! When you leave, close the door behind you to help contain the fire.
- Call 9-1-1 or the local emergency number after you leave.
- If you try to fight the fire, be sure others are getting out and you have a clear way out.
- Keep a lid nearby when you’re cooking to smother small grease fires. Smother the fire by sliding the lid over the pan and turn off the stovetop. Leave the pan covered until it is completely cooled.
- For an oven fire, turn off the heat and keep the door closed.

Safety considerations for cooking with oil

- Always stay in the kitchen when frying on the stovetop.
- Keep an eye on what you fry. If you see wisps of smoke or the oil smells, immediately turn off the burner and/or carefully remove the pan from the burner. Smoke is a danger sign that the oil is too hot.
- Heat the oil slowly to the temperature you need for frying or sautéing.
- Add food gently to the pot or pan so the oil does not splatter.
- Always cook with a lid beside your pan. If you have a fire, slide the lid over the pan and turn off the burner.
- Do not remove the cover because the fire could start again. Let the pan cool for a long time. Never throw water on the fire.
- If the fire does not go out or you don’t feel comfortable sliding a lid over the pan, get everyone out of your home. Call the Fire Department from outside.

Join Us!

Regularly Scheduled Monthly Meetings

Held at the Springdale Municipal Building, 11700 Springfield Pike:

City Council
1st & 3rd Wednesdays of each month at 7 p.m.
Planning Commission

Interested in joining or have questions? Contact SYB to secure donations that help to provide more residents working together and volunteering time.

SYB is a non-profit volunteer based organization, comprised of Springdale residents working together and volunteering time to secure donations that help to provide more affordable youth sports programs in Springdale. Interested in joining or have questions? Contact Springdaleyouthbooster@yahoo.com.

Springdale Community Center Members (SCC) may register beginning May 1, 2021. SCC Activity membership requirement waived for residents participating in youth sports for their first time. (Non-resident registration begins June 1 and fee is an additional $25 per child if space is available). Youth sports fees may be paid online (SCC members only) or in person with cash, check or card. For registration, visit www.springdale.org.

Instructional Soccer
With the instruction from dedicated coaches, your child will be introduced to the basics of soccer. Instructional soccer teams play in a fun, positive and relaxed setting. Children who were born between 2017 and 2015 are eligible to participate. Registration May 1 – May 31 - $40 ($55 beginning 6/1).

SAY Soccer
Have fun, gain friendships and enhance your skills while competing against local communities. Youth who were born between 2014 and 2002 are eligible to participate. Registration May 1 – May 31 - $40 ($55 beginning 6/1).

Youth & Teen Volleyball
Participate in the Cincinnati Premier Youth Volleyball League and enhance your skills, gain friendships, and most importantly, have FUN! Youth and teens in grades 3-8 are eligible to participate. Registration May 1 – May 31 - $40 ($55 beginning 6/1).

What is SYB (Springdale Youth Boosters)?
SYB is a non-profit volunteer based organization, comprised of Springdale residents working together and volunteering time to secure donations that help to provide more affordable youth sports programs in Springdale. Interested in joining or have questions? Contact Springdaleyouthbooster@yahoo.com.

Co-ed Cornhole League
Thursday Evenings
Registration Begins: July 1
Play Begins: September • Price: $25 per team

May Walk
Friday, May 7 • 9-11am
Everyone can join us for a 1-mile walk around the Community Center (indoors for inclement weather). Light refreshments provided.
### FITNESS PROGRAMS

#### Balanced for Life
**FREE**
**Friday, April 9 - May 14 • 11am - 12pm**
We combine balance and endurance exercises, along with posture and stretching work for those who wish to increase balance and reduce falls.
Instructor – Elizabeth 346-3910

#### Workout In The Park
**FREE**
**Saturdays in June • 9:30 - 10:30am**
From the beginner to advanced athlete, this full body workout held in the park will focus on functional movements geared to get you the strength, definition, and tone you want for the summer. Held at the Springdale Community Center Amphitheatre. Classes will be moved to the Aux Gym per weather conditions.
Instructor – Fitness Center Team 346-3910

#### Boot Camp
**FREE**
**Monday • 5:30 - 6:15pm**
Join us for a high energy, fat burning workout that utilizes military moves with body weight that’s sure to help build stamina, promote weight loss, and build muscle.
Instructor – Elaine M. 446-1839

#### H.I.I.T. Fit
**Tuesday, Thursday • 5:55 - 6:55pm**
Saturday • 11am - 12pm
This action packed high intensity interval training (H.I.I.T.) class combines the benefits of kickboxing and strength training that’s sure to challenge your body and give you the results you need.
Instructor – Elaine M. 446-1839

#### Hip Hop Spin
**Monday, Wednesday • 6:15 - 7:15am**
Monday, Wednesday, Thursday • 7:15-8:15am
Second Sunday of the Month • 1:15 - 2:15pm
Spin to your favorite Hip Hop music while burning calories.
Instructor – Inga 513-341-5669

#### Jazzercise
**Monday, Wednesday, Friday • 5:55-6:55pm**
Tuesday, Thursday, Saturday • 9:30-10:30am
A high-intensity mix of dance-based cardio and strength training for a calorie-crushing total body workout.
Instructor – Elaine S. 260-3604

#### L.I.F.E. – Low Impact
**FREE**
**Fun(ctional) Exercises**
**Tuesday, Thursday • 11am - 12pm**
This class promotes stronger bones, better balance, and healthier bodies that will help with everyday tasks.
Instructor – Fitness Center Team 346-3910

#### Line Dance
**Thursday • 1 - 2pm**
Open to singles and couples who want to learn to dance or expand your existing dance skills while having fun and exercising at the same time.
Instructor – Judy 520-2784

#### Slimnastics
**Monday, Wednesday, Friday • 9:15-10:15am**
A class for women that combines the best parts of dancing and aerobics into one to lower body fat and burn calories.
Instructor – Sue 738-0361

#### Tai Chi for Health
**Monday • 1 - 2pm**
A gentle, yet powerful exercise form that combines fluid movements, breathing, and stretching to improve muscle tone, balance, flexibility, and reduce stress.
Instructor – Barbara 267-0409

#### Zumba
**Tuesday • 7:05 - 8:05pm**
Zumba combines high energy and motivating music with unique moves and combinations for a fun workout.
Instructor – Melissa 969-4772

### SPECIAL EVENTS

#### City Service & U
**June 14 - June 18 • 10am - 12:30pm**
City Service & U is a unique program that gives Springdale residents entering 5th-8th grades the chance to learn more about careers within our City and what it takes to operate the City of Springdale. Experience firsthand the daily tasks of the City work force. Is City Service in YOU? Registration May 10 – June 10 - $10 (Space is limited)

#### Shred Sensitive Documents
**Saturday, June 26 • 9:30am - 12:30pm**
A mobile shredding unit will be on site at the Community Center so that residents may safely destroy sensitive documents and records. This is an opportunity to dispose of those old documents which you would not feel comfortable throwing away in the trash. All material will be shredded and recycled.

#### Neighborhood Yard Sales
**Saturday, August 7 • 9am - 2pm**
Clean out the garage, attic and basement while earning some cash during this year’s Neighborhood Yard Sales. The best part of all, the sale is right at YOUR house. The City of Springdale will widely publicize the community-wide event with suggested hours from 9am to 2pm. Take advantage of the extra traffic of buyers who will cruise Springdale looking for your bargains!

#### Junior Olympics
**Saturday, August 21 • 10am - 11:30am**
The event is comprised of eight competitive events for boys and girls age 10 and under. This event is free and open to the public. Pre-registration begins August 1 at the Community Center. If interested in volunteering, contact 346-3910.

#### Junior Olympics
**Sunday, August 22 • 2:00pm**
Spring and Dale (They are the big 4 inch Goldfish) are back in the water with 100 of their slippery fish friends! Kids 12 and under must catch the fish with their bare hands. Be sure to bring a plastic container to take your new pet home. This fun, exciting event is free to Pool Members, and just $3 for everyone else.

---

**For any additional information on our programs, events, and services, please check us out online at www.springdale.org/goplay, 346-3910, Annual Program Guide or Facebook**

---

**POOL SEASON**

**May 29 – September 6**

**Pool Season Hours**
May 29 - August 8 • 12:00pm - 8:00pm

**Extended Pool Season Hours**
August 14 - 15, 21 - 22, 28 - 29 & Sept. 4 - 6
12:00pm - 8:00pm

**Pool Concession Stand**
Open during pool hours.

#### Swim Lessons
Available for ages 3 and up. Participants may enroll in one class at a time. Contact the Springdale Community Center for more information at 513-346-3910.

**Registration Begins:**
- Members: April 1
- Non-Members: May 1 (Session 1 Only)

#### Swim Team
To join the Swim Team please contact the Parent Board President, Tasha Wilson at 513-485-5326 or springdalesailfish@yahoo.com.

**Cost:** $45 per swimmer, $30 for each additional family member

- $7 per class for Residents
- $8 per class for Non-Residents

Register with Instructor Patricia Cox at 513-235-2305

#### Family Fun Day
**Sunday, June 20 • 2:00pm**
Spend part of Father’s Day with the family at The Annual Family Fun Day. We’ll be offering popular activities including: Rubber Duck Races, Balloon Launches, Master Splasher, Deck Art, and so much more. This event is Free to Pool Members.

#### Gold Fish Swim
**Sunday, August 8 • 2:00pm**
Spring and Dale (They are the big 4 inch Goldfish) are back in the water with 100 of their slippery fish friends! Kids 12 and under must catch the fish with their bare hands. Be sure to bring a plastic container to take your new pet home. This fun, exciting event is free to Pool Members, and just $3 for everyone else.
Mulch Available to Residents

As a reminder, mulch is available free of charge for Springdale residents. Contact the Public Works Department at (513) 346-5520 to make your request. Mulch is available in bulk quantities of either 2 ½, 5, 7 ½, or 10 yards. Orders accepted on a first come, first serve basis. Mulch is delivered the first full week of May each year. This year delivery begins on May 3, 2021.

Springdale Offering Support

The Springdale Health Department recognizes the many generous residents and businesses who donated to the Springdale Offering Support (SOS) 2020 Holiday Program. Together, we were able to provide food, clothing, and gifts to 81 local families in need and food assistance to an additional 11 families.

Focus on Health & Safety this Pool Season

Never leave children unattended. Even if they can swim. Even for a few moments. Use a buddy system. Maintain eye contact with your buddy. Keep the pool area locked and secure when not in use. Swim only in supervised and approved areas. Keep first aid kit (bandages, tape, scissors, etc.)/rescue equipment near the pool. Enroll children in swim lessons (offered at the Springdale Recreation Department). Enforce water safety – no running, no pushing, no dunking, and no diving at the shallow end of the pool. Remove toys when pool is not in use. Learn CPR/water rescue techniques. Have a phone available to dial 911 in an emergency. Use safety devices properly. Remember, air-filled and foam filled toys (noodles) are not life-saving devices. Discourage the use of alcohol at the swimming pool and spa.
