Permit # -20

Permit Application Checklist:

Every application submitted for a permit shall address the following items for review by the City of Springdale Public Works Department representative (Applicant: please check boxes as required).

- I have completed permit application with all requested information.
- I have reviewed and understand the City of Springdale’s typical drawings and general requirements for the proposed stated work.
- I have provided a detailed site plan detailing proposed work and location(s).
- I have provided General Liability Insurance Certificate with this permit. (Required for Contractors Only)

Excavation in Right of Way and Right of Way Access Only:

- I have provided a Traffic Control Plan, which complies with the Ohio Manual of Uniform Traffic Control Devices. Plan shall show type and placement including distances from proposed excavation and/or right of way work.
- I have provided General Liability Insurance Certificate and Bond as required.

Work Commencement Notice:

- I agree to notify the City of Springdale Public Works Department’s Inspector at least two (2) working days before work is commenced and one (1) day prior to schedule needed inspection by calling (513) 346-5520.
- I shall comply with *ORC Sec. 3781.28* and contact the Ohio Utilities Protection Service (OUPS), 8-1-1 or 1-800-362-2764, at least 48 hours but no more than 10 working days (excluding weekends and legal holidays) before beginning ANY excavating project. **OUPS Ticket #** _____

Special Conditions:

I hereby agree to all terms, conditions and restrictions written or printed below and to the Sub-Division Regulations of the City of Springdale, including precautions for the protection of the public and all utilities within the public right-of-way and to any and all installations in and around said driveway approach or sidewalk. If work done under this permit involves or endangers property belonging to others, I shall immediately notify the owner of said property or public utility.

By the making of this application the applicant agrees to comply with the laws of the State of Ohio and Ordinances of the City of Springdale pertaining to the above described work and the work in which it is incidental. Applicant further certifies that the information and statements given in this application are true and correct.

By the making of this application the applicant agrees to indemnify and hold harmless the City of Springdale from all claims, loss or damage that may result in any way from the stated work. The applicant agrees to indemnify and hold harmless said City against all claims, loss or damage resulting from the restoration and maintenance of the restoration of the surface of the stated work.

This permit may at any time be revoked/annulled by the City of Springdale Public Works Department for non-performance and/or non-compliance with any of the conditions, restrictions and/or regulations. Violations of or non-compliance of said regulations are subject to penalties provided by Chapter 93 of the City of Springdale, Ohio Code of Ordinances.

Plans and/or application must be approved and permit secured before commencing work. City of Springdale regulations require a minimum of 24 hours Advanced Notice for inspection of forms and subgrade prior to pouring any concrete and/or placing backfill within the right of way. Inspection can be scheduled by calling the Public Works Inspector between 7:00 A.M. and 3:30 P.M. at (513) 346-5520.
