UNFINISHED BUSINESS

E-Mail to solicit support

Mayor Webster said he was not in support of using the Rec Center e-mail to solicit support for SOS. He said we bend over backwards to get people to sign up for the Community Center e-mails and they don't want to use it for solicitation..

Greg Karle said we have been cautious about that. I don't know how broad we want to expand that. Mr. Karle shared a flyer he had had made up.

After discussion it was decided to have 15-20 flyers printed up that they may be able to have some businesses put up.

Home Improvement Program

It was stated again that the Home Improvement money would be used only after all the Building Department grant money was gone. Mayor Webster said a lot of people have to replace/repair driveway aprons this year.

Fund Raising

There was more discussion about ways SOS could earn money. Since at the end of summer festival there will be free games for kids, it was decided to sell popcorn and maybe cotton candy at the festival.

Bob Diehl suggested having a talent show in October/November and to ask for donations. Bob Diehl and Carolyn Ghantous will get together and discuss this idea.

NEW BUSINESS

Christmas Program

Julie Matheny said Kemper Pond is going to have an angel tree this year for the Christmas program and they want to be part of the Thanksgiving program also.

TREASURER'S REPORT

Julie Matheny gave the treasurer's report. The balance in the general fund is \$8,578.36 as of 4/17/13. The Christmas fund as of 4/17/13 is \$556.18 after \$150 donation and 27 cents in interest.
